

11_Ischemic

May 18, 2018 (Friday)

10:30-12:00

1

Case Competition of PAD and Structural Heart

Chairs: TBD

20 Keep the Right Thing behind in Lower Limb Intervention: Evidence
and Current Concept
Yoshimitsu Soga (Japan)

Time **Speaker 1** Topic 1
Name

Time **Speaker 2** Topic 2
Name

Time **Speaker 3** Topic 3
Name

Time **Speaker 4** Topic 4
Name

13:30-15:00

2

Case Competition- CTO

Chairs: TBD

20 Keynote Management of Complication in PCI
Sunao Nakamura (Japan)

Time **Speaker 1** Topic 1
Name

Time **Speaker 2** Topic 2
Name

Time **Speaker 3** Topic 3
Name

Time **Speaker 4** Topic 4
Name

15:30-17:00

3

Case Competition- Complex PCI

Chairs: TBD

20 IVUS-guided Complex PCI
Khalida Soomro (Pakistan)

Time **Speaker 1** Topic 1
Name

Time **Speaker 2** Topic 2
Name

Time **Speaker 3** Topic 3
Name

Time **Speaker 4** Topic 4
Name

May 19, 2018 (Saturday)

08:30-10:00

4

Optimizing Antiplatelet Therapy in Asian Patients with Acute Coronary Syndrome

Chair 1: TBD

Chair 2: TBD

- | | | |
|------|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Time | Speaker 1 | Optimal Duration of Dual Antiplatelet Therapy for ACS
Yi-Heng Li (Taiwan) |
| Time | Speaker 2 | Evidence Supporting East Asian Paradox Regarding Antiplatelet Therapy in Patients with ACS
Young-Hoon Jeong (Korea) |
| Time | Speaker 3 | Efficacy and Safety of Prasugrel in Asian Patients with ACS and Patients Undergoing Elective PCI
Shigeru Saito (Japan) |
| Time | Speaker 4 | Ticagrelor for Post MI Disease Treatment
TBD |

10:30-12:00

5

When Antiplatelet Therapy Meets NOAC in Patients with or without Non-valvular Atrial

Chair 1: TBD

Chair 2: TBD

- | | | |
|------|------------------|-------------------------------------------------------------------------------------------------------------------------|
| Time | Speaker 1 | Efficacy and Safety of NOAC in Asian Patients with Non-valvular AF Stroke Prevention
Chern-En Chiang (Taiwan) |
| Time | Speaker 2 | Anticoagulation / Antiplatelet Therapy in Patients with AF Undergoing PCI
Georg Nickenig (Germany) |
| Time | Speaker 3 | Dosing Strategy of NOAC in Asian Patients with Non-valvular AF
TBD |
| Time | Speaker 4 | Breaking Concept of Antithrombotic Strategies in Stable CAD
TBD |

13:30-15:00

6

Imaging Modalities in Coronary Intervention

Chair 1: TBD

Chair 2: TBD

- | | | |
|------|------------------|-----------------------------------------------------------------------------------------------------------------------|
| Time | Speaker 1 | Optimal Utilization of IVUS in Percutaneous Coronary Intervention
Satoru Sumitsuji (Japan) |
| Time | Speaker 2 | How to Evaluate the Vulnerable Plaque in Coronary Artery without Significant Stenosis?
Moo Hyun Kim (Korea) |
| Time | Speaker 3 | Value of OCT in Coronary Intervention
Po-Ming Ku (Taiwan) |
| Time | Speaker 4 | Role of iFR or FFR for Intermediate Lesion
Kuang-Te Wang (Taiwan) |

15:30-17:00

7

Innovative & Advanced PCI Technology

Chair 1: TBD

Chair 2: TBD

Time **Speaker 1** Beyond Absorb, Can Other BRS Make Magic Happen?
Seung-Jung Park (Korea)

Time **Speaker 2** Polymer-free Stent Design
TBD

Time **Speaker 3** Combo Stent Design
TBD

Time **Speaker 4** Magnesium BRS
David M. Leistner

May 20, 2018 (Sunday)

08:30-10:00

8

APSC Taiwan - KSC Joint Session

Chair 1: TBD

Chair 2: TBD

Time **Speaker 1** Therapeutic Strategy of LM Intervention in Korea
TBD

Time **Speaker 2** Therapeutic Strategy of LM Intervention in Japan
Sunao Nakamura (Japan)

Time **Speaker 3** Current Status of TAVI in Korea
TBD

Time **Speaker 4** Current status of TAVI in Taiwan
TBD

Time **Speaker 5** Imaging in Coronary Intervention (KSC)
TBD

Time **Speaker 6** Imaging in Coronary Intervention (APSC)
Yi-Chih Wang (Taiwan)
